This Certificate in Investing in Innovation programme is led by Temasek. Based on Temasek's decades of experience in investing in innovative companies, this programme aims to equip learners with the knowledge and skills to identify, assess and invest in companies with innovative technologies or business models. It is specifically designed for those who want to invest today with tomorrow in mind.

Participants will learn how to evaluate the potential of innovative companies and drive value through their investments. They will go through a playbook of key steps of the investment process, and learn how to apply this through real-world case studies.

At the end of the programme, the participants will be able to:

- Develop a trends-aligned investment approach and understand key industry trends and risks
- Leverage a playbook of key steps to evaluate investments in innovation
- Develop plans and strategies to build an innovation portfolio and create value in portfolio companies
- Navigate the innovation and PE/VC ecosystem and identify opportunities for partnerships

## Who should attend

- Family Office Advisors and Consultants for Single Family Offices and Multi-Family Offices
- Asset Managers and Asset Allocators
- Private Banking and Wealth Management Professionals

## Accreditation & Fee Breakdown

The programme (TGS-2023022298) is accredited by the IBF under the IBF Standards Training Scheme (STS). Singaporeans and Permanent Residents are eligible for enhanced funding support under the revised IBF Funding quantum from 1 January 2023.

The fees listed are after IBF-STs funding. Any discrepancies in registration details or failure to meet minimum IBF academic requirements will result in an unsuccessful IBF reimbursement claim and students will be liable for the full tuition fees.

SkillsFuture Credits can be utilised to offset the balance of the programme fees after IBF subsidy.

Global-Asia Family Office Circle (GFO Circle) Members are entitled to 10% discount across "Family Office" programmes.
